

## **CONSTRUCTION CORNER**

September 14, 2018

### **Sanitary Sewer Repairs Project**

The intent of this project is to replace sanitary sewer mains that are collapsing due to age.

This week, H&J Construction reconstructed approximately 400 feet of concrete sewer pipe in the alley west of S 1st Street, between Quincy Avenue and Van Buren Avenue.

During the week of September 17, H&J is scheduled to complete the following work

- Monday, 9/17: Complete the sewer line reconstruction in S 1<sup>st</sup> Street alley and set the manhole in Van Buren Avenue.
- Tuesday, 9/18: Pour two driveway aprons.
- Wednesday, 9/19 through Monday, 9/24: Begin reconstructing an existing 6" sanitary sewer main with new 8" sanitary sewer pipes in an alley between S 3rd Street and S 5th Street.

### **Water line repairs on Chestnut Avenue**

On Wednesday, 9/19, & Thursday, 9/20, City crews will be adjusting sewer laterals at 720, 836 and 842 Chestnut Ave.

These adjustments will make sufficient room for the replacement of an existing water main along Chestnut Avenue.
